

## Congratulations to Professor Silvia Koton

Professor Silvia Koton (Head of Herczeg Institute) won the **2021 International Stroke Conference Award for Best Oral Abstract in the field of Vascular Cognitive Impairment**. Her abstract, entitled *Association between Incidence, Severity and Recurrence of Ischemic Stroke and Risk of Dementia: The Atherosclerosis Risk in Communities Study*) was presented at the 2021 International Stroke Conference.

Professor Koton was also selected as a **2021 Paul Dudley White International Scholar** and received the **2021 Paul Dudley White International Award** for the abstract submitted to the International Stroke Conference 2021.
